

TECHNICAL REQUIREMENTS:

Show: “When the Moon Comes Out”, Arena en los Bolsillos Theatre Company

- Duration:** 30 min. + 10 min. welcome and farewell.
- Target audience:** Children ages 1-4.
- Maximum audience:** Family events: 80 people, 40 children each accompanied by an adult.
Nursery schools: maximum audience of 50 children accompanied by their teachers.
- Minimum space dimensions (including audience):** Width 5 m, length 8.5 m, height 2.10 m.
- Recommended space dimensions (including audience):** Width 7 m, length 10 m, height 2.20 m.
- Electricity supply:** Ordinary Spanish sockets. 220 V. Minimum output: 3,000 W.
- Unloading/set up time:** 3 hours
- Dismounting/loading time:** 2 hours
- Total touring staff:** 2 people

All lighting and sound equipment is supplied by the company.

- Given the nature of theatre for babies and toddlers, in private sessions **only one adult** will be permitted entry per child. This must be taken into account in ticket bookings and sales.
- Requirements for family events: 20 chairs for the adult audience.
- It is essential that the chosen space allows for lighting to be dimmed to **total darkness**.
- **A person in charge** of the space where the event is to be held must be on hand at all times to resolve any doubts or issues that may arise.
